

**CITY OF CLINTON  
DEPARTMENTAL MEETING  
WATER AND SEWER DEPARTMENT  
JANURARY 22, 2007**

City Recorder was not present due to illness. Tape was provided for Recorder.

The meeting was held in Water and Sewer Department conference room at 6:00 p.m.

PRESENT: Roger Smith *Van Buren County Democrat*, Mayor Roger Rorie, Rocky Kirkendoll, Liz Bramlett, Donna George, Chip Moore, and Aldermen Randy Churches, L. J. Davis, Dickey Hink, and Kip Stringer.

Mayor Roger Rorie opened the meeting with, "We are here for educational purposes only." This is a work session and the press has been notified and is present. There will be no roll call, decisions made nor votes tonight. Donna George is recording minutes for the Recorder Treasurer Eoff. Does anyone have any questions?

Rocky Kirkendoll explained that all Water and sewer employees did not know what to expect. The newspaper article appeared that the Water and Sewer Department was incompetent, so we do not know what to expect.

Mayor Rorie stated that he could assure employees, no need to worry for their jobs. In no way does the City Council intend immediate action of any form. We are all learning and need to keep everything going as is, for the present time.

Tape is available in Recorder Treasurer's office. This was only a work session and no decisions or votes were taken. Employee's and elected officials trying to make Water and Sewer Department better for the City of Clinton.
