

CITY OF CLINTON
SPECIAL CITY COUNCIL MEETING
SEPTEMBER 9, 2009

Mayor Rorie was unable to attend meeting and Recorder Treasurer Merl Eoff presided at the meeting.

Elizabeth Bramlett ROLL CALL: Randy Churches, Dickey Hink, Wendy Russ, Kip Stringer, and Sam Ward answered present. PRESENT (5).

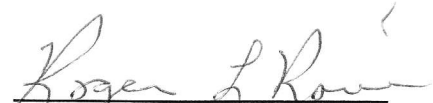

Eoff- Informed those present at the meeting that the city has much debt in Water and Sewer bonds. The loss of Pilgrim's Pride and other industry has cut Water & Sewer Department approximately \$90,000.00 per month. There has not been a residential water increase since 2000. The council is still working on a fair increase for everyone concerned. We have no other business to discuss tonight and the City Councilors are staying after the meeting to answer any questions you may have about the city's water rate increase.

Councilor Stringer made a motion to adjourn. Seconded by Churches.

Elizabeth Bramlett ROLL CALL: Churches, Hink, Russ, Stringer, and Ward answered yes. (5)
